nature

The background features a vertical line on the right side. To the left of this line, there are several overlapping circular shapes. One is a large, light green circle. Another is a smaller, white circle with a thin green border. A third is a blue circle that overlaps the green one. The overall design is clean and modern, using a palette of greens, blues, and whites.

*Congratulations to the winners
and it will be our pleasure if you are on the
opening of the photo salon Kumanovo 2009
at 05 December 2009 in Art Galery of City Kumanovo*
